With each TD test entry of a dog that has not passed an AKC tracking test, there must be filed an original statement dated within one year, signed by a person who has been approved by the AKC to judge a tracking test, certifying that the dog is considered to be ready for such a test.

A DRAWING FOR PARTICIPANTS will be held on Wednesday December 29th, 2016 at 6:00 pm at the home of the trial secretary to determine which entries will participate in the test. The drawing will be random among those entries received, and per AKC rules, preference in draw order is as follows: Specialty breed w/out title, Specialty breed with title, other entries w/out title, other entries with title. All persons submitting entries are invited to attend the drawing.

When the advertised limit has been drawn, an **ALTERNATE LIST** will be drawn. The alternates will be advised of their positions on the alternate list and given an opportunity to be at the test site in case of absent dogs.

Alternate entry fees and certifications will be returned unless the alternate actually participates in the test. Entry fees will also be refunded to any confirmed entry that does not participate in the test, provided that the Test Secretary is notified prior to the day of the test and provided that an alternate entry participates in the test as a result of the withdrawal.

All entrants will be notified of the results of the draw by the Test Secretary. The judging program will be emailed by the test secretary. Please let the secretary know if email is not acceptable. Should an acknowledgement not be received by the exhibitor within a *reasonable time*, please notify the Test Secretary by phone at (425) 788-0570 or bfortman@frontier.com
