CERTIFICATION (TD ENTRIES). With each TD test entry of a dog that has not passed an AKC tracking test, there must be filed an original statement dated within one year, signed by a person who has been approved by the AKC to judge a tracking test, certifying that the dog is considered to be ready for such a test.

A DRAWING FOR PARTICIPANTS will be held on Thursday December 28th, 2017 at 6:00 pm at the home of the trial secretary to determine which entries will participate in the test. The drawing will be random among those entries received, and per AKC rules, preference in draw order is as follows: Specialty breed w/out title, Specialty breed with title, other entries w/out title, other entries with title. All persons submitting entries are invited to attend the drawing.

At the draw one TD track will be set aside per Chapter 1, Section 17d. “Test Worker” is defined as a person who has worked at a PNWPWDC tracking test in 2017.

When the advertised limit has been drawn, an **ALTERNATE LIST** will be drawn. The alternates will be advised of their positions on the alternate list and given an opportunity to be at the test site in case of absent dogs.

Alternate entry fees and certifications will be returned unless the alternate actually participates in the test. Entry fees will also be refunded to any confirmed entry that does not participate in the test, provided that the Test Secretary is notified prior to the day of the test and provided that an alternate entry participates in the test as a result of the withdrawal.

All entrants will be notified of the results of the draw by the Test Secretary. The judging program will be emailed by the test secretary. Please let the secretary know if email is not acceptable. Should an acknowledgement not be received by the exhibitor within a *reasonable time*, (48 hours) please notify the Test Secretary by phone at (425) 788-0570 or bfortman@frontier.com

The Test Headquarters (directions below) will open at 7:30 AM, Sunday January 7, 2018. PLEASE DO NOT ARRIVE BEFORE 7:30.

The DRAWING FOR THE ORDER FOR THE RUNNING OF TD TRACKS will be at 8:00 AM at TEST HEADQUARTERS (see directions below) **on Sunday January 7, 2018.** The first track will be run as soon thereafter as it has aged the proper length of time. In the event of any absentee(s) among the confirmed entries, the next alternate, in catalog order, who is present, will be allowed to fill the vacancy.

The TDX EXHIBITORS MUST CHECK IN WITH THE TRIAL SECRETARY BY 9:30 AM at TEST HEADQUARTERS (see directions below) **on Sunday January 7, 2018** when the drawing will be held for TDX tracks. The first TDX track will be run as soon thereafter as it has aged the proper length of time. In the event of an absentee among the confirmed entries, the next alternate, in catalog order, who is present, will be allowed to fill the vacancy.

BITCHES IN SEASON may participate. The Test Secretary must be notified that a bitch is in season prior to the drawing for tracks. The dog will be given the last track and will not be allowed in the tracking area until just prior to running her track. In the case of more than one bitch in season at the test, a second draw for the last tracks will be held immediately after the first draw.

By their presence at the Sites, all exhibitors and spectators agree to abide by AKC Rules and Regulations and to follow the instructions of the Tracking Test Committee and Judges. While all care will be taken to insure the safety of both people and dogs, the Pacific Northwest Portuguese Water Dog Club, the Tracking Test Committee, the landowners, their employees and their agents assume no responsibility for any loss, damage or injury to any dog, person, or property on the Sites or loss, damage or injury to any dog, person, or property traveling to or from the Sites.

All dogs must be on leash at all times. Dogs not actually participating will go where instructed. Owners are responsible for picking up after their dogs and for keeping the Sites clean.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.
