

July 24, 2016 General Meeting

The group was called to order at 12:30 at Deep Lake, Nolte State Park, Enumclaw WA

18 regular members were present, which constitutes a quorum. Board members present are Judy James and Amanda Ford.

No changes to notes from 3/31/16 General membership meeting.

President's report:

- Thanks to Judy Murray for teaching/judging the July water workshop and trial, and to all the many volunteers who come together to hold this event.
- Judy received a thank-you note for the Jan 2016 PNWPWDC tracking test from one of the entrants which she shared with the group.

Events:

- Agility fun day is scheduled for October 8, 2016. Suitable for dogs and handlers of all levels. Will include morning intro to agility seminar and afternoon nested fun runs.
- Annual Holiday Party is scheduled for 12/4/16 at Academy of Canine Behavior, Bothell WA
- Discussion of options for 2017 water trials. Asked for feedback on trial locations for 2017 trials. Our September 2017 trial can't be held the usual weekend after Labor Day due to conflict with the National Specialty. Consensus is to keep our July trial and dates at Deep Lake and explore other options for later in the summer, perhaps in August. Options include Horseshoe Lake, the Salem Specialty location, or Lake Tye in Monroe WA, or other alternate locations TBD. Suggestion was made to do a membership survey for suggested locations/dates.

Membership: Vote on change from Associate to Regular membership for Luann Albertson approved by vote of Regular Members in attendance.

Other: Val Tangen has organized a PNWPWDC shirt for members to buy to wear to the 2016 National in Monterey, CA. Info on design and ordering will be forthcoming.

Next General Membership Meeting will be held in conjunction with the Regional Specialty in Enumclaw on Friday 8/19/16.

Concluded @ 1:00

Thanks to those who came!

Amanda Ford

Secretary
