

PNWPWDC
Q2 GENERAL MEMBERSHIP MEETING NOTES
May 07, 2017

Fido's Farm, Olympia

President Cynthia Kongorski called the meeting to order around noon over lunch

Roll call: There was NO QUORUM at the meeting. NO actions were taken. This record reflects ONLY NOTES from the informal meeting.

Note: Minutes/corrections for December or March 2016 PNWPWDC General Membership Meeting could not be approved without a quorum, so have been tabled until the next club meeting in July.

President Cynthia Kongorski led a general discussion on possibilities to link our General Club meetings with an activity that would draw members to attend. Our intention is that such a strategy might increase attendance to ensure a quorum.

The introduction to herding event at Fido's Farm was a huge success for those who attended. PWDs displayed their various talents (including herding skills!) and much fun was had by all!

ELECTION OF NEW REGULAR MEMBERS (Barbara Temple-Thurston):

Applicants from associate to regular membership (Reba Gonzales and Toni Castro, as well as Rachel Cullen) could not be voted on due to no quorum. Tabled until Q3 meeting.

NEW BUSINESS

President Cynthia Kongorski informed the group on her discussions with Bertelsen's Winery as the venue for the next club meeting (Q3). It would be paired with an AKC Agility Trial nearby so as to draw on attendance at the trial. Confirmation of the arrangements will be sought at our next board meeting.
